Projects

• *Real Time Process Monitor: (Python)* ***Github:*** ***January 2025 - February 2025***

- Developed an interactive real-time system process monitoring application that provides clear visibility into system performance and detects abnormal behaviorIntegrated OS-level APIs (psutil) to fetch real-time CPU, RAM, disk, network, and process-level metrics.
- Successfully delivered a responsive dashboard displaying live CPU, RAM, disk, network, and process-level metrics, with intelligent ML-based anomaly detection enabling early identification of system performance issues and improving system reliability.
- **Tech**: Python, Streamlit, Psutil, Optuna, Machine Learning, System Monitoring

• *SecurePass Pro – Advanced Password Strength Analyzer : (DSA)* ***Github:*** **June 2025 – July 2025**

- *Built an advanced password strength analysis tool that evaluates password robustness and helps users create more secure credentials.Implemented real-time strength scoring using hashing logic, character entropy analysis, and rule-based validation for common vulnerabilities.*
- *Developed SecurePass Pro with real-time password strength scoring using hashing logic, entropy-based analysis, and rule-based validation, efficiently detecting weak passwords, common patterns, dictionary words, and insufficient symbol diversity, thereby enhancing overall password security awareness.*
- *Tech: JavaScript, Data Structures & Algorithms (DSA), Regex, Entropy Analysis, Web Security*

Certificates / Certifications

Android App Development **July 2025**

GFG

DSA Summer Bootcamp **June 2025**

LPU

Introduction to Hardware and Operating Systems **September 2024**

Coursera

Skills

Languages: C++, Java, JavaScript,CSS,C,Python

Technologies/Frameworks: React JS, Node JS, Git, GitHub, Ubuntu

Domain Skills: Data Structures and Algorithms, Problem-Solving, Responsive Web Design, Scripting in Python and JavaScript

Education

Lovely Professional University **2020 – 2024**

Bachelor of Technology - Computer Science and Engineering — CGPA: 6.43 *Phagwara, Punjab*

St. Antony's HSS **2018 – 2019**

12th — Percentage: 94.60% *Kollam,Kerala*

The Oxford School **2016 – 2017**

10th — CGPA: 10 *Kollam,Kerala*
